

# MWA & Bentley Seminar

## - Designing and Improving Water and Wastewater Infrastructure

**Tuesday, 14 October 2014**

**13:30 – 17:40**

**Berjaya Hotel, Kuala Lumpur**

Join the Malaysian Water Association and Bentley for this water industry event that will provide attendees with a unique opportunity to hear from leading members of the Malaysian water industry who will outline some of the key challenges and opportunities they see for the industry as we move toward 2015.

This seminar will also showcase how Bentley's fully integrated water, wastewater, and stormwater solution provides you with an end-to-end range of functionality, addressing the needs of the owner-operators, engineering contractors, and consultants who contribute to the water infrastructure lifecycle.

At this event you will hear presentations from leading organisations in the Malaysian water industry including:

- The key challenges and opportunities facing the Malaysian water industry in 2014 delivered by the Group Executive Director of the Malaysian Water Association.
- The Application of MSMA2 for the Drainage Industry in Malaysia presented by Dr. Quek Keng Hong, MSMAware.
- How Bentley's integrated software solution for water and wastewater can benefit your organisation from Bentley's Global Water Solution Executive.
- And much more.

### **Notes:**

- *Event Attendance Fee RM40/participant.*
- *All attendees will receive a Certificate of Attendance.*
- *CPD hours applies to Professional Engineers registered with Board of Engineers Malaysia, subject to full attendance.*
