ABOUT SPEAKER

RIDGID ASIA

Founded in 1923, Ridge Tool evolved from a pipe wrench manufacturer into one of the world's largest suppliers of quality engineered tools for the professional building and construction trades.

MR. MOHAMED RIDWAN, REGIONAL TECHNICAL SALES MANAGER

For more than a decade, Mr. Mohamed Ridwan has accumulated vast experiences in piping & drain related technological products. A practical hands-on person and never one to shy away from challenges, Mr. Mohamed Ridwan prides himself as a solutions provider to the hundreds of End Users and Distributors he has worked with across multiple industries. For the past years, Mr. Mohamed Ridwan has been conducting knowledge transfer seminars to ensure that end-users benefit from the current technological advances in piping and drain related products. He currently manages various sales channels in both Malaysia and Singapore.
