

MyWA Training Program 2018

CATEGORIES	NO.	LIST OF COURSES/PROGRAMS	DURATION
WATER SUPPLY AND WASTEWATER	1	Drinking Water Treatment Process & Water Quality Analysis	2 Days
	2	Industrial Effluent Treatment Process & Water Quality Analysis	2 Days
	3	Introduction on Pump and Fittings Course	2 Days
	4	Basic Plant Preventive Maintenance	1 Day
	5	Water Sampling Protocol Workshop	2 Days
	6	Water Filtration System and Quality	1 Day
	7	Sewerage Planning & Design - Sewerage Network, Desludging, Treatment & Pumping System	2 Days
	8	Water Supply System Maintenance and Repair	2 Days
	9	Under Pressure Tapping	2 Days
	10	Non-Revenue Water (NRW) Water and Leak Detection Program	2 Days
	11	Advance in Non-Revenue Water	2 Days
	12	How to Investigate NRW Commercial Loss	2 Days
	13	Introduction to Geographical Information System (GIS)	1 Day
	14	Plumbing Installation & Pipe Laying Techniques	2 Days
	15	Water and Wastewater Quality Monitoring	2 Days
	16	Instrumentations in Water Treatment Plants	1 Day
	17	Water Supply Regulations	1.5 Days
	18	Instrumentation Maintenance	1 Day
	19	Pump Alignment and Maintenance	2 Days
	20	Advance Pump and Motor Maintenance	2 Days
	21	Water Treatment and Distribution (Intermediate)	2 Days
	22	Water Quality Analysis Course with Competency Test	3 Days
	23	Asset Management in Water Industry	2 Days
	24	Best Practice in Water Meter & Water Piping	2 Days
OCCUPATIONAL SAFETY & HEALTH	25	Safe Chemical Handling - From Cradle to Grave	1 Day
	26	Process Safety Management (PSM)	1 Day
	27	SDS - Safety Data Sheets	1 Day
	28	Good Practices for Enhancing Process Safety and Chemical Handling at Water Treatment Plant	2 Days
	29	Water Safety Plan & Risk Management	2 Days
	30	NIOSH Authorised Entry	2 Days
LAB MANAGEMENT SYSTEM	31	Lab Management Training Course	2 Days
	32	GLP (Good Laboratory Practice) & HACCP (Hazard Analysis and Critical Control Point)	2 Days
GREEN TECHNOLOGY	33	Water and Green Appliances	1 Day
	34	Desalination	1 Day
	35	Water Footprint and Auditing	1 Day
	36	Storm Water Pollution and Water Quality Index (WQI)	1 Day

MyWA Training Program 2018

ENVIRONMENT WATER	37	Dam Operations and Safety Procedure	2 Days
	38	Dam Surveillance and Audit	2 Days
	39	Dam Operation & Maintenance Course	2 Days
	40	Basic Treatment Plant Design	1 Day
	41	Design of Pumping Systems and Analysis	0.5 Day
	42	Sludge Operation and Management	2 Days
GENERIC SKILL	43	Finance for Non-Finance Water Professional	3 Days
	44	HR for Non-HR Manager	4 Days
	45	Train the Trainers	5 Days
	46	Communication with Media	2 Days
	47	Corporate Leadership	2 Days
	48	Implementing Balance Scorecard for Organizational Success	2 Days
	49	David Allen's Getting Things Done	2 Days
	50	Strategic Talent Management and Succession Planning for Organizational Excellence	2 Days
