KG DATUK KERAMAT, 54000 KUALA LUMPUR**

**DATE: 14 MAY 2018**

**TIME: 9.00AM - 1.00PM**

Recent pipe burst at pasir gudang highway disrupting traffic

## Objectives:

The objective of this joint workshop is to address water crisis as a slow onset disaster at the community level and discuss on possible disaster risk reduction (DRR) measures that may be through engineering and/or social solutions, such as awareness raising.

Sustainable solutions for social resilience against water crisis may be achieved through strengthened partnership and exchange of knowledge among communities, water providers and regulators and will be suggested by case studies from Malaysia and Japan.

## REGISTRATION FEE

MWA MEMBERS: RM300  
NON-MEMBERS: RM350
